

Adventures Beyond Classrooms Application Form

Adventures Beyond Classrooms (ABC), a committee of Communities In Schools of Randolph County, was started by the Leadership Randolph Class of 2009. The goal of ABC is to be a funding source of last resort for students who are unable to attend school field trips for financial reasons.

A school official (teacher, guidance counselor, principal, assistant principal) must complete the application below, attach a copy of the field trip form, and submit it to your school principal for approval. The ABC Committee will review the application and make a funding determination. Please allow at least three business days for a response after the application has been received by the ABC Committee.

Funding procedures: A cap of \$100 per student per fieldtrip

All forms require Principal signature

Field trip requests above \$50 per student require an explanation of fundraising or other funds used; or special circumstances of the individual student(s)
